“We reached immense success with the expo, and has been our most successful one thus far. We received close to 400 enquiries on our solutions. We will most definitely be partaking in next year’s event.”

“The general response from customers and the energy was very positive. We would definitely like to discuss next year’s HOMEMAKERS. All in all fantastic compared to the last 10 shows I have done.”

“The show was good for us, in terms of numbers. HOMEMAKERS Expo is always managed perfectly and staff are always willing to assist so it was good.”

– **Mohammed Khan, Totai**

“I was very impressed at how much attention our stand received. We were constantly busy and we had a lot of positive feedback from the clients. I think the show was well organized and we could see the benefit of being a part of it this year. If this is what we can look forward to for the years ahead I’m very excited. Thank you for your professionalism, it’s rare these days.”

– **Dean Halcrow, Slide ‘n Space**
